Oct. 29, Valley Vettes/RCMC Autumn Cruise

We met at the Wal-Mart on South Parkway. After a brief driver's meeting where the rules of the Scrabble™ rally were clarified, we headed out at 1 minute intervals. The route directions were fairly simple to follow which allowed us to enjoy the scenery. A small typo in the mileage threw a few people off course, but was easily corrected and everybody made it to Baxter's Steakhouse in Cullman (our destination) without incident. We were to receive an envelope with two Scrabble™ letters at each waypoint along the route which we could then use to spell a word at our destination. The person to spell the word worth the most points (our very own Mike Gosch) won a Scrabble™ game board. Thank you to Vic van Leeuwen and his wife Ann for putting on this great event.

65 Mustang Convertible K Code, Gene (765) 934-8245. Very good condition, no rust or body filler only reproduction parts on the car are the hood and the floor pans, we warped the hood sand blasting it but the repo fits and looks good. The engine and tranny are from a 65 Hi-Po but not the one that came in the car, the engine was not in the car when I bought it back in the mid 80's, (I think it probably died on a drag strip some where) so I found a rusted out 'K' code coupe and bought it for the Hi -Po engine and parts the coupe was built on March 25 and the convertible was built on April 10 so the build dates match ok. The car has less than 5000 miles on the engine and other resto parts.
