Our web site is: RocketCityMustang.com. If you would like to put information on our web site please contact our webmaster Keith Kucera at webmaster@rocketcitymustang.com. Pictures of club member cars in whatever condition are always welcome.

Officers Note

The past month has been very hot! It appears that attendance at car shows may be down due to the heat. Add to that the rising price of gasoline and we are all true keepers of the faith with this obsession we have for the Mustang. Our hope is to see you drop by at the new meeting place and experience good food and atmosphere!

Tidbits...

On a personal note, I want to thank Bill McEwen. I gave him a near-impossible task – help me find a house, close, and move in within 30 days. Not only did Bill rise (there's a pun there) to the challenge, but he was excellent to work with. Never did my wife and I ever feel that we were pressured to see a place or make a decision along the whole process. I thank Bill from the bottom of my heart and hope that if you are thinking of looking for any help with your Real Estate needs, please call Bill.

Most of us received a note from Pat Martin. I know that I was very pleased to hear that Ron is getting around well. She thanks everyone for the thoughts, cards and prayers.

There's a maroon 1985 Mustang GT for sale sitting at the corner of Wall Triana and Capshaw. I decided to stop and take a look at it. Definitely needs a good home and would be a project for whomever wants one.

Happened to see Mark Dorner out at Lowe's on Sunday (yes, I am a new homeowner with lots of projects). He just happened to have come back in from Yuma, Arizona, and is continuing work on a pool deck. And he also just found out that he was going back out to Yuma for another week. Hope to have you back soon, Mark.

Mike Gosch FINALLY finished putting brakes on his car! Let's all give him a hand of applause. He now has little ponies on all four discs.

Next Meeting is Tuesday, July 18th at Casa Blanca across from the Madison Square Mall – 7PM.
