Officer's Note

I hear what you are asking. "So, what happened to the October newsletter, Ralph?" Well, I am sure that I can give a few excuses and maybe someone would believe one, but the bottom line is that I dropped the ball. Life at times becomes a bit hectic. I am not going to bore you with details, just jump right into this one. You will notice that I have included both months here.

Fall is here and winter is right around the corner. While some of you are pondering the winter projects that you could take care of, others are looking forward to the holidays and what they bring. This is always a special time of year for family and friends. My wish is that we all are able to enjoy these times with warmth, laughter and good health.

Please note that the meeting in December is traditionally our Christmas dinner. Plans for this will be announced very shortly.

Staging begins at 0900 and all participants must be in place by 1100. The parade begins at 1200. We are looking at bringing our trailer for the end of the line this year. Suggestions on a truck to pull it are welcome! For more information on the route and rules, see the website "The Miracle at Christmas" here - <http://www.waaytv.com/parade/2006/index.shtml>

The Alabama Custom Car and Truck Club is putting on this show entirely for the kids. Registration is 1000 to 1400. Trophies are awarded at 1700. Entry fee is \$20 cash donation or an unwrapped toy of equal value. Location is at the old Airport next to the Jaycee's building. December 19 – RCMC Christmas Dinner

As with each year, December's meeting is a dinner that is held for the club from the general fund. At this time, we are leaning towards having this at a restaurant. Ideas are the steakhouse that we had it at last year at the Madison Square Mall. Once the details are set, I will let everyone know.

65 Mustang Convertible K Code, Gene 765-934-8245. Very good condition, no rust or body filler, only reproduction parts on the car are the hood and the floor pans, we warped the hood sand blasting it but the repo fits and looks good. The engine and tranny are from a 65 Hi-Po but not the one that came in the car, the engine was not in the car when I bought it back in the mid 80's, (I think it probably died on a drag strip some where) so I found a rusted out 'K' code coupe and bought it for the Hi -Po engine and parts the coupe was built on March 25 and the convertible was built on April 10 so the build dates match ok. The car has less than 5000 miles on the engine and other resto parts.

Tidbits...

Please keep Skip and Deborah Hamer in your thoughts and prayers. Deborah will be going through chemotherapy treatments. For more information, please visit the thread on our forum here - <http://www.huntsvillecarscene.com/showthread.php?t=1507>

With our Veteran's Day parade, it was really good to see Pat Martin and her sis-in-law, Jessie. Now, what else embodies the flavor of the Mustang than two good-looking women riding in 1969 351 Mustang with the top down? I understand that they were hit upon. Maybe Pat will tell you all about it when you see her next. Thanks to Bill Tucker, Mike Liston, Mark Dorner & family, John & Carolyn Wade, Jerry & Cynthia Kennedy, Michael & Greta Gosch, Patrick Turner, David Reed & family, and David & Alicia Kelley for coming out to brave the weather for this event. We all had a great time!

If you hadn't heard yet, our own Joe Ackerman has been appointed the state representative for the Saleen Club Of America - <http://www.saleenclubofamerica.com/> - The motto is "Saleens, Friendship & Fun". Please help support Joe in this endeavour. I know this will be a valuable resource for all of our Saleen owners. You can contact Joe by emailing him at Ackman70@aol.com.

Visit our website for a small story and pictures of the 3rd annual RCMC/VV Autumn Fun Rally. The day turned out perfect again for the third year in a row. Personally I thank Bill Tucker and his wife for following me home that day.

If you haven't taken a look lately, our own Mark Dorner is still busy on the project that he has been working on. You can follow his project on the Rocket City Mustang Forum on HuntsvilleCarScene.com (<http://www.huntsvillecarscene.com/>).

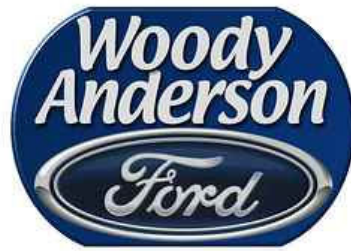

Here is a pic that Skip Hamer sent around.

I received an email from Russell Estes, President of No Limits Kustoms (<http://www.nolimitskustoms.com/>). Their Fall Bash was a wonderful success while proceeds went to the main charity United Cerebral Palsy. They gave away trophies in several categories, ten each in Car and Truck. Included are a couple of pictures.
