Officer's Note

The nights are longer and it is definitely getting colder.....but RCMC is wide awake and just heating up!

We had some great events in October/November including the RCMC/Valley Vettes joint road rally, the Huntsville Veteran's Day and Christmas parades. Several members participated in these events, but there is always room for more.....and you can see all the action from these and other events on the website (rocketcitymustang.com) I waited a bit longer to produce the newsletter so as to report on both these events.

As Turkey Day passes and we set our sights on December and the Holidays, RCMC again is gearing up for the annual Christmas Dinner/Party before we "settle down for a long winter's nap" as the poem says. But wait! We can't nap now 'cause we have our (28th) annual car show to get ready for...and it will only be a success if YOU support YOUR club! Keep checking the website, forum, and my e-mails for details.

And finally.....

As we were preparing to leave the staging area for the Veteran's Day Parade, I looked at our entry....11 beautiful cars and their respective owners....As mentioned, the parade was a great way for us to show off our pride-and-joy vehicles, but also promote RCMC.....It made me feel proud to be a member of a great club and I was thrilled to participate with you. We also had nine cars and their respective owners parade through Huntsville at the Christmas parade....again, lots of good fun, food, and friends....and no incidents....woohoo!

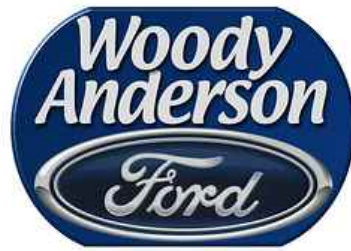

Now, in 2007, we have one more club event, the dinner/party to wind up the year. Next year, we'll repeat all our events (shows, parades, rallies, drive-ins, etc.), but I also plan to add a few more exciting events, too. We need YOU to participate....that's why we set up these events, and that's at least in part why you joined. I'm always open to suggestions and want to make your club even better. Again, I'm truly honored that I can lead the club and I know we can continue to have fun....because isn't that what it's all about?!

Peace and Happy Motoring.....
